

nPOD Acceptance Criteria

November 10, 2016

Here at nPOD we are very grateful for our OPO partners and the time, effort you put forth to help us on our quest to find a cure for type 1 diabetes.

Please call nPOD 1-866-731-6585 when you have donors that meet the following criteria:

- Type 1 diabetes: Donors 30 years or less in age with a type 1 disease duration of 7 years or less.
- Transplant: Any donor with a history of type 1 diabetes who has received a pancreas or pancreas/kidney transplant.
- Autoantibody positive donors, with at least 1 or more autoantibodies, ≤ 30 years old (for those OPOs that screen with nPOD).
- Donors 3-12 years in age, all donors.
- Donors with a diagnosis of cystic fibrosis, any age.

Inclusion/Exclusion Criteria for nPOD Donors

(except Type 1, Autoantibody and Transplant donors, for these groups still call as we may accept)
